

You're too good to be true

A road of silk
and a moon of honey
wipe out sleep
at the break of day
walking tears
with a handshaped angel
I'm sure it's seen
light years away

I've known deceit
and the end of falling
I've walked a line
too thin to draw
I caught the drift
don't know where or when
but no matter what
there's always a catch

You're too good to be true
you're too good to be true
that is why I love you
you're too good to be true

It's not the way
that it used to be
it's not the way
you'll get from the world
I never can
make it up to you no
but you love
me anyway

You're too good to be true
you're too good to be true
that is why I love you
you're too good to be true

It's so hard to believe
it's so hard to receive
why it's such a mystery
what you have for me is free
